

## **CPS Launches Interactive Annuity Spreadsheets**

CPS is pleased to announce that our Annuity product spreadsheets are now Interactive. We have the tools, resources and expertise to take you to the next level in 2012. Our new interactive spreadsheet tool allows you to be much more specific in your search for the best carrier and product for your clients' particular needs.

You can now search for products by sorting a number of different criteria, such as:

- Client age
- Duration
- Rate
- State
- Carrier Ratings and more

Please note \*\*\* These interactive spreadsheets replace the following: Fixed Annuity Rates, Multi Year Guarantee Rates, Index Annuity Spreadsheet, New York Fixed / Indexed Annuities and Oregon / Washington Fixed Annuities. The Hot Fixed, Hot Indexed, Asset Based LTC, Rider Spread Sheet and SPIA Roster will continue to be updated and can be accessed in the Annuities section of the web site.
